How does QuickBooks protect my financial information?

Back Connect

- After you connect, you will see all accounts at Pacific Premier Bank that you can add to QuickBooks. If you don't have an account ready in QuickBooks, click <Create New Account> to create a new account. If you don't want to download data from a particular account, choose Do not add to QuickBooks from the drop-down menu.

- After you add your accounts, click Connect or Close.

Set Up an Account for Online Banking (Web Connect)

- Log into your online access through the Pacific Pacific Bank website (www.ppb.com)
- Download your transactions using the "QuickBook Web Connect (*.QBO)" format and save the file to your computer.
- Open Quickbooks and download QuickBooks file.
- Choose **Banking** menu > **Bank Feeds** > **Import Web Connect Files**. You will see an import dialog.

5. Navigate to and select the file you downloaded in Step 2, then click **Open**.

The screenshot shows a dialog box titled "Select Bank Account" with a close button (X) in the top right corner. The text inside reads: "You are downloading transactions for the following account:" followed by a list: "- Financial Institution: First Federal of Twin Falls, ID", "- Account type: Checking", and "- Account number: 19017819DD". Below this, it states: "QuickBooks does not have an online account to handle these transactions. Please make a selection below." There are two radio button options: "Use an existing QuickBooks account" (which is currently unselected) and "Create a new QuickBooks account" (which is selected). To the right of the "Create a new QuickBooks account" option is a text input field containing "Checking at First Federal of T". At the bottom of the dialog are two buttons: "Cancel" and "Continue".

You will see a dialog like the one above with you Pacific Premier Bank Information.

6. Click **Use an Existing QuickBooks Account** if you have an appropriate account in the Chart of Accounts. If you don't have an account yet, click Create a new QuickBooks account and enter a name for that account.
7. Click **Continue**
8. Click **OK** to confirm and finish.
